

ARRUPE  
JESUIT  
HIGH SCHOOL

2010-2011  
*Annual Report*

THE SCHOOL THAT WORKS IN DENVER!

# LETTER FROM THE PRESIDENT

The graduation of our first Arrupe Jesuit alumni from university in May of 2011 marked a significant milestone in our school's history. Arrupe Jesuit alumni received Bachelor's degrees from Regis University, Mount St. Mary's University and the University of Colorado at Denver. As we celebrate this achievement, we are also reminded of other milestones this past year.

Our school continues to grow and thrive. This fall, we began with yet another record student enrollment of 330. The Corporate Work Study Program has also grown to 106 Corporate Partners, the largest number in our nine year history, and we continue to reach out to a variety of organizations. This year marks our first partnership with a number of government entities - federal, state and municipal. Arrupe Jesuit students are now employed at the U.S. Fish and Wildlife Service, the Colorado General Assembly and the offices of the City of Arvada.

Fr. Drew Kirschman, SJ, a newly ordained Jesuit priest, joined our faculty this fall. In addition to teaching theology, Fr. Drew has begun an exciting new initiative with our school families. Arrupe Jesuit is now offering regular evening formational events for parents. These events are offered in both English and Spanish so that all parents are able to participate fully. Topics discussed range from how to communicate with teens to helping parents master computer skills.

As we look forward to the great work to come in 2012, we are reminded continually that the promise of Arrupe Jesuit High School is the promise of opportunity...the opportunity offered to students to earn a college preparatory, Jesuit Catholic education. Every young person deserves an opportunity, regardless of financial constraints. Thank you for helping us make the dreams of our students a reality by offering them the chance to attend Arrupe. With your financial support and their hard work, there is no limit to the milestones our students can achieve!

A handwritten signature in black ink that reads "Fr. Timothy McMahon SJ".

Rev. Timothy McMahon, SJ  
President

## VISION STATEMENT

Arrupe Jesuit High School is a member of the Cristo Rey Network and modeled after Cristo Rey Jesuit High School in Chicago. Twenty-four Cristo Rey schools in 17 states and the District of Columbia provide a quality, Catholic, preparatory education to 6,500 young people who live in urban communities with limited educational opportunities, so that they may achieve their potential and build a better world.

Founded in 2003, Arrupe Jesuit provides hope for a better tomorrow for youth in the Denver metro area. Arrupe Jesuit serves students who, due to financial need, may not have other opportunities for a private, college-preparatory, Catholic education. Arrupe Jesuit combines high quality education with a unique program of direct on-the-job training.

Arrupe Jesuit faculty and administration offer students a college preparatory curriculum with high standards, responding to their needs and strengths. Our goal is to produce self-directed graduates who will continue their studies in college, graduate, and return as leaders in their communities.

# AT-A-GLANCE

## Arrupe Jesuit Community

- Provides access to a co-educational, Jesuit Catholic, college-preparatory education to families who, due to financial need, would not have such an opportunity – over 82% of our students qualify for the free/reduced lunch program.
- Arrupe Jesuit is a response to a critical community need. Fewer than 50% of Latino or African American youth in Denver graduate from high school.
- The median income for a family of four at Arrupe Jesuit is \$34,644.
- Our student body is comprised of 89% Hispanic students, 3% African American, 3% Asian, 1% Caucasian and 4% Other.

## Challenging Curriculum

- Rigorous, standards-based program of study designed to prepare students for success in college.
- Students receive a co-educational, Jesuit Catholic, college preparatory education grounded in real world experience.
- State of the art science facilities, computer labs and SMART classroom technology.

## Corporate Work Study Program

- Innovative work study program allows students to earn part of their tuition needs.
- Arrupe Jesuit offers companies dependable, energetic workers for entry-level, clerical jobs.
- This unique work study model combines job sharing and employee leasing to create exceptional educational opportunities.
- Corporate Sponsor retention rate is over 90% annually.

## Graduate Success

- 100% of our graduates are accepted into a college or university of their choice.
- Over 50% of our students are the first in their families to graduate from high school.
- Over 87% of our students are the first in their families to attend college.
- In 2011, Arrupe Jesuit celebrated the graduation of its first college class.

*Hector was on top of room turnovers and making sure we had our instruments. His motivation to work is amazing!*

*Drs. Bassett Wallace Selner & Taylor Hector Casas, Freshman*

*I cannot say enough how blessed we are to have Briann with us. She works very hard and is respectful at all times. Briann is always ready to work. She asks what else she can do when she is finished with assigned tasks, completes tasks quickly and completes them without errors. She is always very respectful of coworkers, physicians and patients.*

*St. Anthony North Hospital  
Briann Robles, Freshman*

# FUNDS FOR THE YEARS ENDED JUNE 30, 2011 & 2010

# SUPPORT ARRUPE JESUIT

Arrupe Jesuit High School relies on individuals, corporations, and foundations to support financially its programs and to provide scholarships to those students who demonstrate financial need. Over 88% of the dollars raised go directly to our programs.

Please contact us if you have an interest in becoming a donor, a Corporate Work Study Program partner, or if you would like more information about the school. Thank you for your support!

**Arrupe Jesuit is proud to welcome the following organizations who have joined the Corporate Work Study Program for the 2011-2012 school year**
