
Magis Night 2021
BACK to SCHOOL
February 27, 2021

Thank you for joining us for Magis Night 2021, our Back to School event. Although this year is different, we are still together - connected by the mission of Arrupe Jesuit and our shared commitment to the extraordinary students and families with we work.

We are mindful of the challenges that the pandemic has presented to Arrupe and to you, our friends. The frustrations, the anxiety, and the profound sense of loss that we have experienced are all too familiar.

We pray, however, that in the last year you have also experienced the same sense of God's presence that Arrupe Jesuit has experienced.

In months that might understandably lead to selfishness and doubt, our students have responded with kindness and patience. While concerned for their families and anxious about certain daily realities, students remain committed to the dreams that define Arrupe.

And, you good friends, your love for Arrupe Jesuit has manifested itself in the support you have offered our students this. Yes, it has been difficult, but at no point have we been alone on Utica Street - for you stood with us now, just as you always have.

During these strange days, I think often of the declaration of hope that Jesus offers in John's Gospel:

"I am the light of the world. Whoever follows me will not walk in the darkness, but will have the light of life."

The remarkable graces that have sustained Arrupe during the past year give evidence each day to the love of God that fills our school. I know that God's loving light shines upon Arrupe Jesuit and guides our work. Each day that light reveals the extraordinary goodness of you - who join us tonight in the celebration of our students, and are inspired once again to invest in their future.

With gratitude for your friendship, Michael Amtog

MAGIS NIGHT 2021

Thank you for joining us at Magis Night 2021: Back to School!
The proceeds from Magis Night bridge the gap between what each family contributes (through the student's Corporate Work Study earnings and family tuition payments) and the total cost of their education. Through this model, donations ensure the students of Arrupe Jesuit have access to a Jesuit, Catholic, college preparatory education, and Corporate Work Study experience. With $2 million in lost CWSP earnings due to the impact of the pandemic on our partners' ability to hire students this year, your partnership tonight helps Arrupe Jesuit remain financially healthy as, together, we break the cycle of poverty through work and education.

VIRTUAL PROGRAM

The virtual Magis Night program will begin at 7:00 PM MST and will be available for viewing thereafter. Tune in at www.MagisNight.com. We encourage you to share the video with your networks.

AUCTION

This year's auction will close at 6:55 PM on February 27th. If you have not recieved an invitation to join the auction, please register at www.MagisNight.com. If you require assistance with mobile bidding, please text or call Kelly at 303-548-8791.
