

## MISSION OF ARRUPE JESUIT

Arrupe Jesuit High School is a Roman Catholic, co-educational, college preparatory school sponsored by the Jesuits of the USA Central and Southern Province. Arrupe Jesuit serves economically disadvantaged students from Denver's inner-city neighborhoods. By enhancing the human, intellectual, and spiritual capacities of our students through a rigorous, innovative, and affordable college preparatory education, we offer hope for a brighter future to some of Denver's neediest youth. Our goal is to empower graduates who will continue their education and return as leaders in their communities.

Arrupe Jesuit is accredited by AdvancED and is a member of the Jesuit Schools Network (JSN) and the Cristo Rey Network.

## WHY ARRUPE JESUIT?

Arrupe Jesuit High School responds to a critical, local community need. There is a deplorable gap in school achievement between minority, low-income students and their peers in our state.

- Only 1 in 3 students who start Denver Public Schools in 9th grade will graduate on time and go on to enroll in college.
- 50% of DPS graduates who enroll in college will require remediation.
- 64% of African American and Latino students graduated from high school compared to 78% of Caucasian students.

Without improved access to postsecondary education, Denver's at-risk youth simply cannot compete in the region's workforce.

***Arrupe Jesuit helps to reverse these patterns by providing an affordable college preparatory education to hundreds of students who would not have this opportunity otherwise.***
