ALUMNI TESTIMONIAL

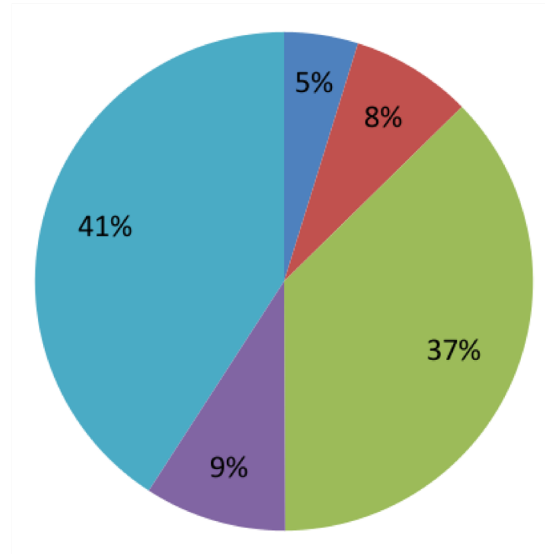

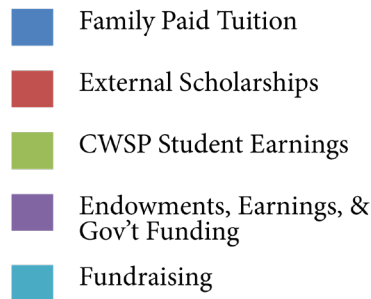

"Arrupe Jesuit helped shape the foundation of who I am today. It gave me the confidence to lead, the courage to serve, and the clarity to pursue a purpose-driven life. I was challenged to grow academically, socially, and spiritually, and those experiences continue to influence how I show up in the world. Through community, education, and service, Arrupe taught me to be intellectually competent, committed to justice, and grounded in love. That formation carried me through my education and into my current roles as a Commissioned Finance and Comptroller Officer in the United States Army Reserves and Associate Director of Residential Services at Support Inc., after earning my Master's in Healthcare Management from Boston University."
