Join us on February 27th for Magis Night 2021!

Though things look different this year at Arrupe Jesuit, the formation of young men and women remains at the heart of what we do. This year will continue to challenge all of us, but the adaptability and resilience of our students and staff combined with generous support from our community will ensure the sustainability of our school and the promise of our mission.

Due to the COVID-19 pandemic, we have changed the format of Magis Night 2021 to be virtually accessible from the comfort and safety of your own home, with limited options to attend an in-person event at Arrupe Jesuit High School. In-person groups will be placed in private classrooms, and attendance will be available to the Presidential, Senior, and Junior Sponsors.

The proceeds from Magis Night bridge the gap between what each family contributes (through the student's Work Study earnings and family tuition payments) and the total cost of their education, keeping tuition at an affordable level for our families. With a \$2 Million deficit in CWSP earnings, your partnership is crucial as, together, we work to break the cycle of poverty through work and education.

About Arrupe Jesuit

Arrupe Jesuit High School is a Jesuit Catholic, co-educational, college preparatory school that exclusively serves economically disadvantaged students from across the Denver metropolitan area. To prepare our students for success in college and beyond, Arrupe Jesuit maintains rigorous academic coursework, implements a unique Corporate Work Study Program, delivers a faith formation program oriented toward a personal encounter with Jesus Christ, and provides individual attention to the formation of the whole person.
