

The background of the entire page is a soft, watercolor-style illustration of a lush green landscape. It features several trees of varying heights and widths, with dense foliage in shades of light green, lime green, and some darker green. The trees are rendered with soft, blended colors, giving them a dreamy, ethereal appearance. Some leaves are scattered in the air, as if caught in a gentle breeze. The overall tone is bright and fresh, evoking a sense of spring and new growth.

The Magis Award

This year, Mr. Bill Fortune will be honored with the esteemed Magis Night Award. This award recognizes individuals, who through their actions, have shown extraordinary dedication to the principle of the Magis, the more, and to Arrupe Jesuit, by pursuing the greatest good and living as a man or woman for others.

Bill is one of the original founders of Arrupe Jesuit High School and continues to support our work, mission, students, and staff to this day. He has introduced countless benefactors to our community and has provided invaluable leadership and guidance over the last 20+ years. We look forward to celebrating the positive impact that Bill has had on the Arrupe Jesuit and greater Colorado community.

About Arrupe Jesuit

Arrupe Jesuit High School is a Jesuit Catholic, co-educational, college preparatory school that exclusively serves economically disadvantaged students from across the Denver metropolitan area. To prepare our students for success in college and beyond, Arrupe Jesuit maintains rigorous academic coursework, implements a unique Corporate Work Study Program, and delivers faith formation experiences to foster community leadership, personal growth, and opportunity. Arrupe Jesuit provides a nurturing environment and individual attention to the formation of the whole person.

Of 1,073 alumni, over 68% of AJHS graduates were the first in their families to graduate high school, 100% of graduates have been accepted into college, and 90% were the first in their family to attend college.

The proceeds from Magis Night help to bridge the gap between what each Arrupe Jesuit family contributes (average family contribution is around \$1,350) and the total cost of their education. Through this model, donations ensure the students of Arrupe Jesuit have access to a rigorous college preparatory education and Corporate Work Study experience. Your partnership helps our school remain financially healthy as, together, we break the cycle of poverty through work and education.
